

# Retail Health Underwriting Guidelines

Version 4.2, effective from 1st April 2026. These guidelines are used by advisors and underwriters to assess proposals. Advisors must not communicate a decline decision on a sales call; all non-standard cases are referred to the underwriting team.

## 1. Entry age

- Essential: minimum entry age 18 years, maximum entry age 60 years.
- Family Floater: adults 18 to 60 years; dependent children 91 days to 25 years.
- Senior Care: minimum entry age 60 years, maximum entry age 75 years.
- The proposer (the person paying the premium) must be at least 18 years old and need not be insured.

## 2. Maximum sum insured by age of eldest member

| Age of eldest member | Maximum sum insured |
|----------------------|---------------------|
| 18 - 45 years        | Rs. 50 lakh         |
| 46 - 60 years        | Rs. 25 lakh         |
| 61 - 75 years        | Rs. 10 lakh         |

## 3. Medical examination requirements

No medical examination is required for applicants up to 45 years without any declared pre-existing disease. Applicants aged 46 to 59, or any applicant who declares a pre-existing disease, undergo a tele-medical interview and, if required, a pre-policy check-up. All Senior Care applicants undergo a pre-policy check-up. Medical check-up costs are borne by the company.

## 4. Pre-existing disease underwriting

- Controlled diabetes (HbA1c below 8) or controlled hypertension: accepted with the standard 36-month PED waiting period; a premium loading of up to 25% may apply.
- Thyroid disorders, asthma on regular medication: accepted with the standard PED waiting period.
- History of cancer, stroke or heart surgery within the last 5 years: refer to senior underwriter.
- Kidney failure on dialysis, cirrhosis of liver, or HIV: decline.
- Body mass index above 40: refer to underwriter.

## 5. Residency and documentation

Policies are issued only to residents of India with a valid Indian address. KYC documents are collected only through the secure proposal journey, never over a voice call. PAN is mandatory when the annual premium exceeds Rs. 50,000.
